## FOREWORD

With the passing of time, the echoes of our school life will grow fainter and fainter and then die away like the school day memories of our grandparents. We hope, that in this year's WARRIOR, we may bring back some of those lost echoes. Now, as you turn these pages, compare the echoes of our last year with the echoes of the past.

## ALMA MATER

Far above old Mud Creeks waters,  
Rising toward the blue;  
Stands our Nobel Alma Mater.  
Hail the red and blue!  
Lift your voices ever upward,  
Always tried and true:  
Here's to you old Marion High School;  
Warriors brave and true.

## DEDICATION

In grateful recognition of her work for Marion High School and the high ideals to which she has inspired us, we, the Senior Class, dedicate this, the 1957 Marion Warrior, in the hope that it will express in some measure our appreciation of her unending efforts. The success that we have attained is largely due to her patience and helpfulness in the library. We dedicate this annual to you, Mrs. Ray.

## CLASS PROPHECY

As I gaze into the future, I see the Class of Marion High School, 1957, as they will be ten years from now---1967. They are scattered over the face of the earth, and many have accomplished unusual things. LOOK WITH ME NOW--TEN YEARS INTO THE FUTURE.

I see a large space ship with its sharp nose pointing toward the sky ready to pierce the atmosphere. It's called the Seaton Special. I hear that Roland Vogel, an expert on aircraft design, did most of the designing.

Wade Robertson has lots of fun these days and makes money just sitting around. Counterfeit, I'll bet! Bruce Coe is still in College training for the Army, or is it the Air Force?

Say, you haven't heard anything until you've heard "Hot-Lips Gardner" blow his French trumpet(?) He has a show of his own on T.V. It's called the Gardner Trumpet Hour.

I see that Deloris Schafers, who used to think she wanted to be a nurse, is now married, and she says she only wants to care for only one man.

Frank Leuschadt had just told the world his fabulous secret on how to keep warm at 40 below without a coat. I wish I knew!

Pat Bixon, Johnsie Just, and Lowene Hiebert, have just established the first colony for old maids. Their motto is "Never give up hope."

Wayne Bratton is now the Marion County Sheriff! It is nice to speed and not get caught. By the way, John Price is his deputy sheriff. Boy what a team!

The new F.F.A. teachers are Jon Thole and Willard Hett. It sounds like Jon Thole is the boss. Poor Willard!

Bob Eckstrom, Dale Johnson, and Don McCarty and now co-owners in a baby diaper factory. What a business! I wonder if they can demonstrate them correctly.

Well, look here! Joyce Pientka has a dress shop of her own. She sews and designs all the clothes she sells.

A life of teaching English is what Margie Bernhardt is doing at the present. She says she rocks a couple of little blonds in her spare time.

Harold Hein and Larry Olsen are running a new doughnut factory. The stuff the doughnuts with the holes from macaroni.

Mary Lou Conyers is now living in Chile, or is it Cuba? Her husband is in the Navy, and he is stationed down there.

Maxine Hinz is married and is now teaching school somewhere in Texas. I wonder if she found a rich Texan?

Betty Mathews is the first woman ever appointed to the Supreme Court. She's the Justice, of course. Her appointment was to have the Supreme Court bench repainted. I hope it's pink!

Bill Burkholder is now running his own Conoco Station. Of course he is married to you know whom.

Elda Pankratz has just finished her internship at the Marion Hospital. She is very good at delivering babies. Big Deal!

John Minear is now head football coach at Washburn, or is it K.U.?

I hear Margaret McClain is now a singer in some opera. Is it singing or howling?

"Naive, " Bernhardt - wills her ability to catch on to good jokes, fast, to Laurence Priddle.

"Elvis, " Bratton - wills his intense devotion for Pat Boone to Judy Covey.

"Love Me, " Burkholder - wills his ability to give and get his class ring - often! - to Paul Schmersey.

"Jell-O, " Coe - wills his ability of being Santa Claus to Tommy Shirley. Well, not everyone has the ability.

"Big Deal, " Conyers - wills her liking for big modern houses, lots of servants, and kids, to Virginia Miller.

"Show Girl, " Dixon - wills her place in the movies to Gaila Jost.

"Pretty Boy, " Eckstrom - wills his hopped-up, yellow convertible to Bob Gooding. It's better than pedaling, we think.

"Curly, " Gardner - wills his "curly" hair to Jerry Shirley. Jerry sure needs it.

"Har-woll, " Hein - wills his last seat in American History to James Gilbert. It ain't easy to obtain it.

"Handsome, " Hiebert - wills her ability to know all the latest gossip to Arlene Hett. You have to eve's drop a little, Arlene.

"Editor, " Hinz - wills her position as editor of the Yearbook to anyone who will take it!

"Chevy, " Johnson - wills his position of feeding and raising quail to Wayne Thies.

"Yo-hon, " Just - wills her figure to Darlene Oblander. See her for complete exercising instruction.

"Canadian Sunset, " Leutschafft - wills his ability to stay warm without a coat at 40 degrees to everyone at M.H.S.

"Slim, " Mathews - wills her figure in tight skirts to Mary Williams.

"Excuses, " McCarty - wills his ability to miss American History tests to anyone who is smart enough to take it.

"Neutral, " McClain - wills her ability to stay neutral in any kind of argument to Mr. Wall. It can be done.

"Brag, " Minear - wills his conceit to Larry Deiter. I like me!

"Shy Ollie, " Olsen - wills his first? date to Jim Christensen. Don't wait Jim! You might be a bachelor.

"Angel?, " Pankratz - wills her innocent expression and deeds to Molly Brodhead. Let's be a good girl, Molly.

"Pinky, " Pientka - wills her "queenly" air to the next Homecoming Queen. It's fun to ride in a convertible.

"Fickel, " Price - wills his ability to have just one class ring and two steady? girls to Robert Melton. Take our advise, get two rings.

"Baby Blue Eyes, " Robertson - wills his harem of girls to Gene Hasenfratz. It's nicer by the dozen, Gene.

"2nd Gear, " Seaton - wills his ability to fix Ford sixes to Eugene Waner. You need it boy!

"Shapely, " Schafers - will not!

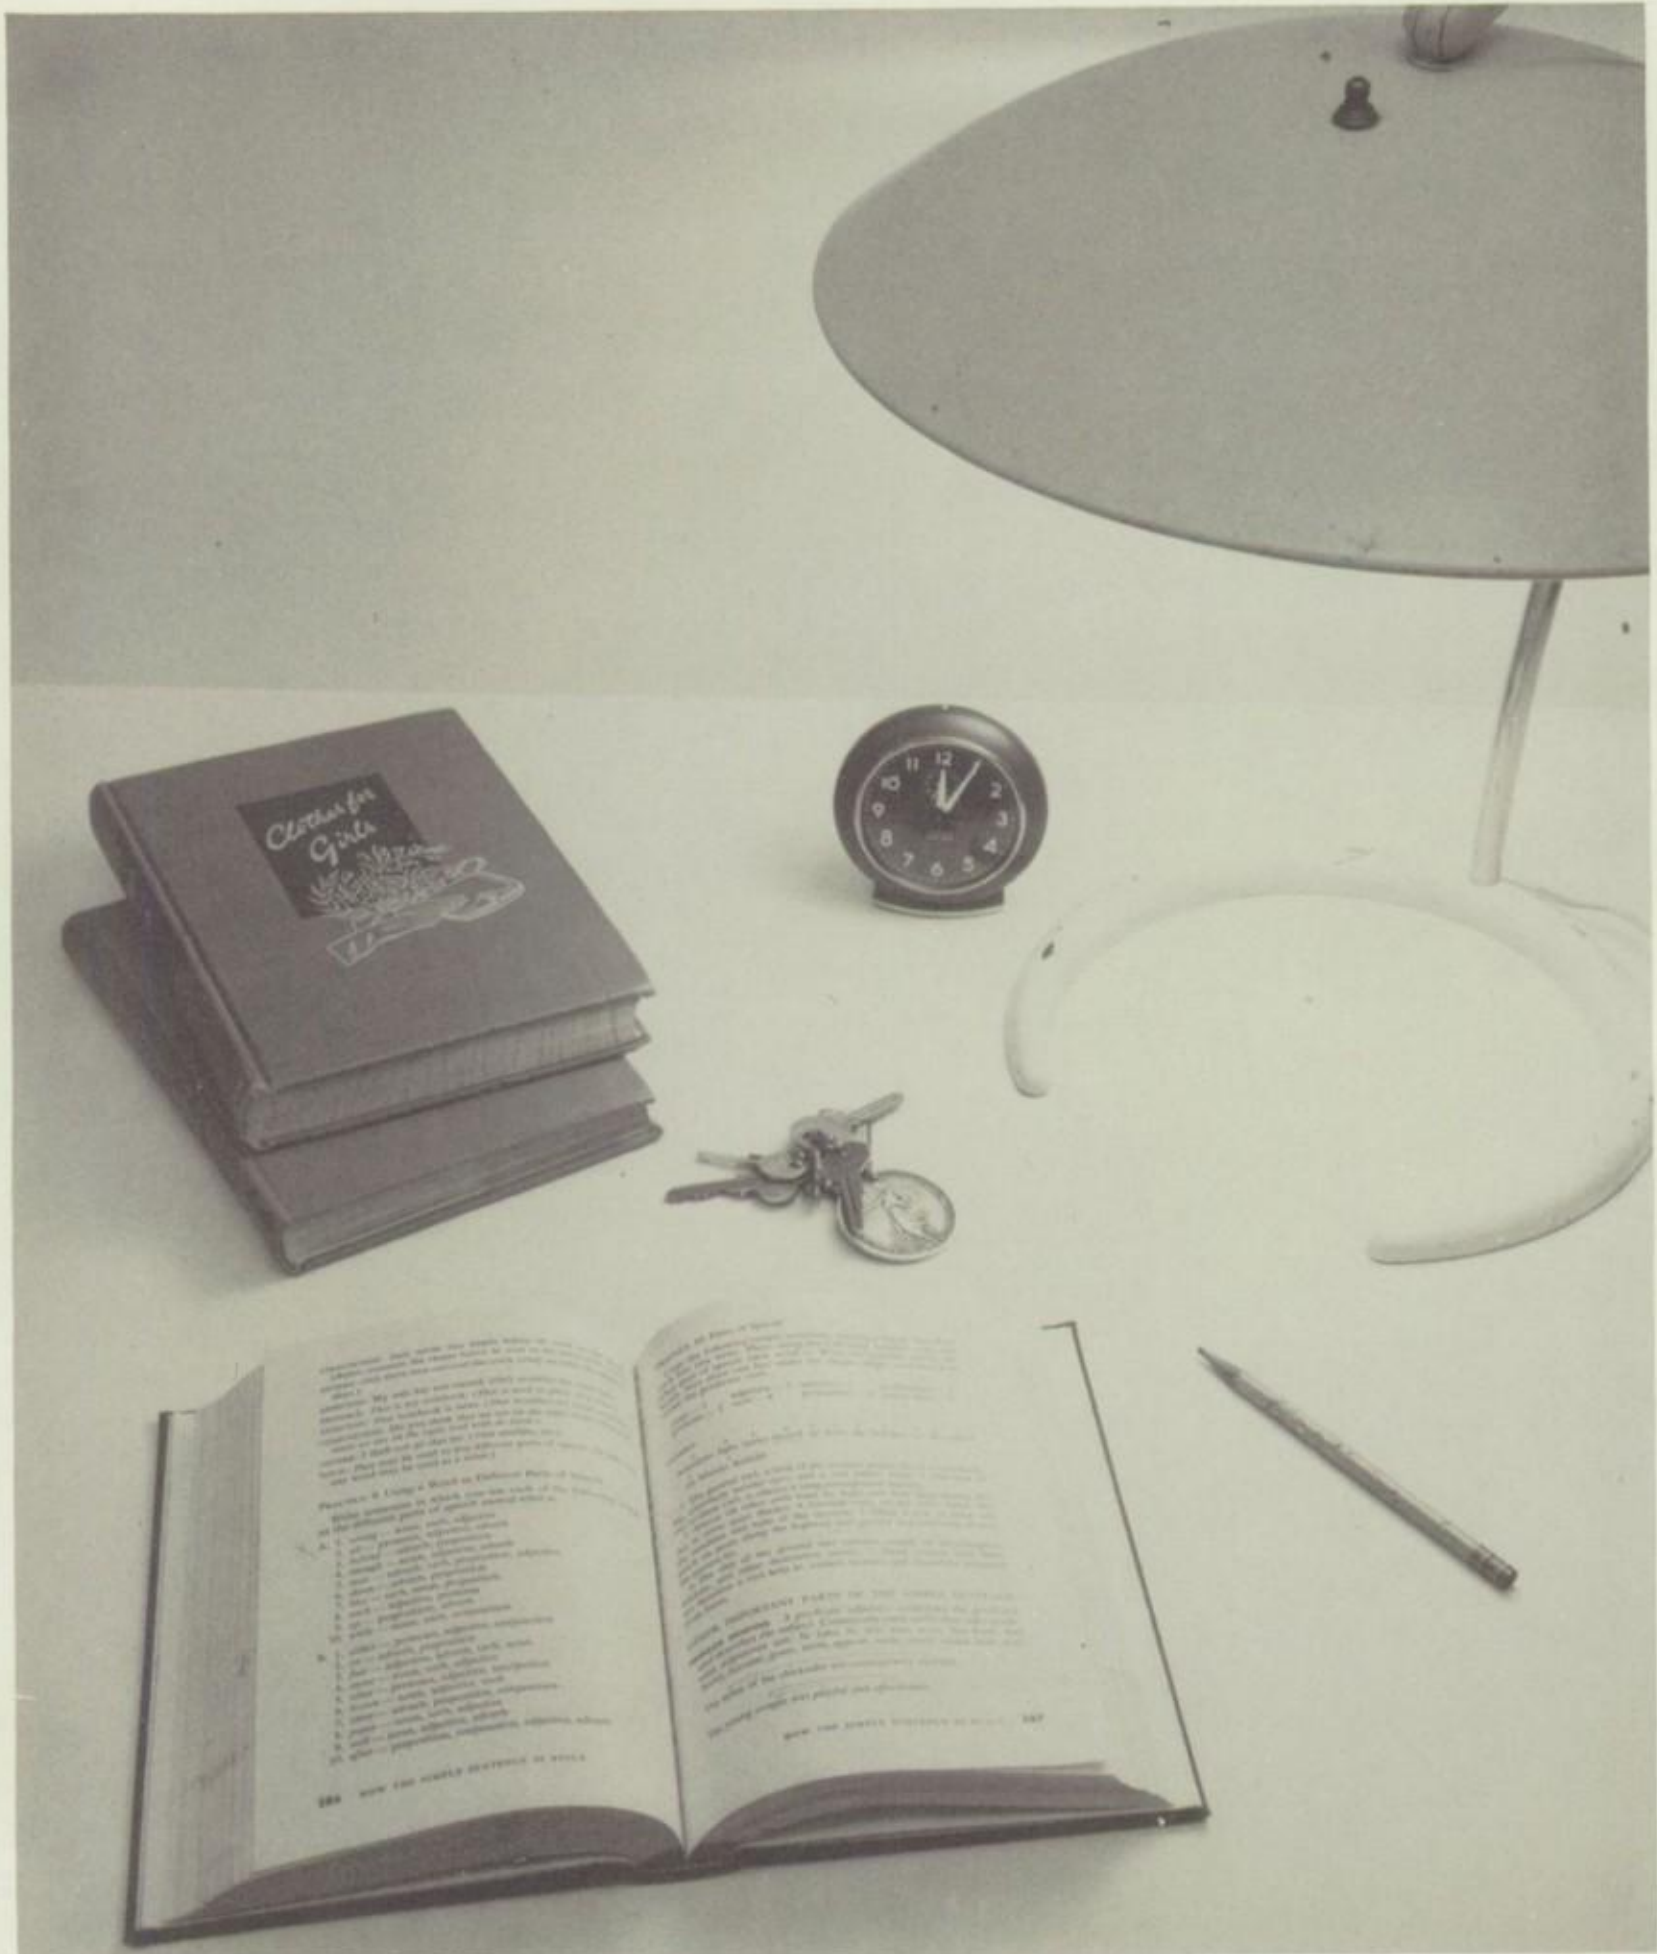

"Preacher, " Thole - wills his F.F.A. position and rising sun emblem to any green hand.

"Fly Boy, " Vogel - wills his athletic ability and vivid imagination on wars to Paul Ford. "Ahhh - they got me, buddy Coe!"

Christmas decorations were well taken care of by the group. The council consists of the most able representative from each class and club. They keep the school on it's toes, and we have every right to feel proud of them.

## Marion High School Band

Our heartiest congratulations go to Mr. Jim Criswell for the splendid work he has done with the Band again this year. The Band has become a very active and progressive organization. At the beginning of the year the Band had a carnival at the city building which gave the Band a big boost financially. One of the big high lights of the year was the Band party held out at the Dobb's School. The band added to the school spirit by playing for all the home football games and performing at the pre-game and half time ceremonies. The Band has done many outstanding performances this year. The McPherson County Fair, Kansas State Fair, Old Settler's Day, Labor Day at Florence, Band Day at Wichita University, Band Clinic at Florence, Spring Band Concert, and Music Contest at Emporia. Congratulations Band!
